K&D Group established in 1998 in Hong Kong, with a history over 20 years. Although the future looks challenging, we strongly believe that it remains bright. K&D has transformed from a small trading company in Hong Kong into a conglomerate engaging in a wide spectrum of business covering printing industry, advertising and premiums, and card manufacturing. In recent years, we have been actively exploring overseas markets and have successfully extended our business from our base in Hong Kong to Mainland China, Singapore, Taiwan, Japan, the Philippines, Indonesia, Australia, United Kingdom. Now we have expanded in Canada, USA and Latin America adding our agent Rigo Duran as Director of Business Development. Looking ahead, we would work hard to pursue good business opportunities and extend the oversea markets. Under K&D Group, it consists of KND Promos International Inc., K&D Holdings Limited and K&D Century (Shenzhen) Limited. We are also the member of ASI and PPAI in the U.S.

We are focusing on Gift & Premiums, Card Printing & IOT Technology, Licensing and Import & Export Business.

Headquarter is in Hong Kong and branch offices in Los Angeles ,Arizona, Phoenix, Shenzhen, Yiwu, Guangzhou and Japan.

K&D Group's core values are respect for the individual, continuous learning, achievement and customer satisfaction.

WHO WORKS WITH US
 We are proud to plan and provide gifts and solutions for a variety of industries across the globe

and More....
